ASME reserves the right to add to, or delete from, this list, or to change the terms of this Agreement upon thirty (30) days prior written notice, which may be by e-mail, fax, or other communication.

## 2. IP Addresses

Section 3 below defines the Authorized Users who will be allowed online access to the ASME journals referred to in such Section. Authorized Users will be recognized and authorized by their Internet address. IP addresses and/or address ranges for the Subscribing Institution are indicated in the Appendix.

## TERMS and CONDITIONS

### 3. Authorized Users

ASME's grant to the Subscriber and Authorized Users at the Subscriber's institution of online access to each ASME journal for which the Subscriber maintains a current subscription to the print version thereof extends only to the Subscriber and such Authorized Users individually and may not be transferred to, or extended to, others. For purposes of this Agreement, Authorized Users means only the employees, faculty, staff, students officially affiliated with the Subscriber, and persons with legal access to the library's collections and facilities on-site, using an IP address within the range identified in the Appendix (page 4).

Authorized Users may be persons affiliated with remote sites or campuses that are administered from the Subscribers site or campus, but not persons at remote sites or campuses with separate administrations. Unauthorized use of the Subscribers IP address for online access to the ASME journals, with or without the Subscribers knowledge, is a breach of this Agreement and a violation of ASME's copyrights.

The Subscriber warrants and represents that common and reasonable methods will be used to inform Authorized Users of general terms and conditions for the use of online information products that are consistent with this Agreement. Furthermore, the Subscriber will make every attempt to enforce the terms of this Agreement upon receiving information from ASME or any other source that reasonably indicates that one or more Authorized Users is in violation of the terms of this Agreement. The Subscriber shall be responsible for storage, display, access control and security measures.

#### 4. Permitted Use

The Subscriber and Authorized Users are permitted online access to the ASME journals referred to in Section 1, and may download or print text, search results, or other information from such ASME online journals solely for the private use or research of the Subscriber and the Authorized User. The Subscriber and each Authorized User agrees to use this online access in a way that conforms with all applicable laws and regulations. The Subscriber and each Authorized User specifically agrees not to make any attempt to gain unauthorized access to any other system or network.

ASME grants the Subscriber and Authorized Users permission for brief quotations from the ASME online journal article texts, with the customary acknowledgment of the source.

#### 5. Prohibitions on Certain Uses

Altering, recompiling, copying, reselling, redistributing, publishing or republishing (beyond the brief quotations permitted under Section 4) of any journal text, output, search results, or other information from any ASME journal, or any portion thereof, including without limitation, copyright, trade secret, proprietary and/or other legal notices contained therein, in any form or medium is prohibited. Systematic downloading, service bureau redistribution services, printing for fee-for-service purposes and/or the making of print or electronic copies for transmission to non-subscribers or non-subscribing institutions (such as in interlibrary loan) are prohibited. All rights not expressly granted are reserved to ASME.

ASME shall not be required to distribute, and Subscriber shall not redistribute, any ASME online journal to a country where the export thereof is prohibited by U.S. law or regulation.

#### 6. Duration of Agreement

This Agreement will become effective upon receipt by ASME of the Agreement signed by an authorized agent of the Subscriber, and, subject to the terms and conditions of this Agreement, will remain in effect while the Subscriber maintains a current print subscription to the

ASME journal(s). This Agreement will terminate:

- a. Subject to (b) and (c) below, if the print subscription lapses (termination is effective at the end of the period during which a subscription is maintained).
- b. Immediately, if any term or condition of this Agreement is violated for any reason, knowingly or unknowingly.
- c. Following thirty (30) days prior written notice by ASME of any change in the terms of this Agreement, receipt by ASME of notice from the Subscriber in writing, or by e-mail or by fax that the Subscriber does not accept such change or changes. (In the absence of any such objection by Subscriber, ASME's new terms shall apply.)

## 7. Copyright

ASME online journals and their contents, including abstracts, are copyrighted by ASME and are subject to all applicable copyright, database protection and other rights of ASME as copyright owner and publisher under the laws of the United States and other countries. Copyright notices in the ASME journals may not be removed, obscured, or modified in any way.

## 8. Failure of Performance

Following online access approval, the Subscriber and Authorized Users will be permitted to attempt online access to the ASME journals referred to in Section 1 at any time. ASME, however, will not be liable for any delay, downtime, transmission error, software or equipment incompatibilities, force majeure or other failure of performance. ASME will use commercially reasonable efforts to correct any material performance problem brought to its attention and may suspend performance pending such correction.

## 9. Official Version of Record

ASME will use commercially reasonable efforts to ensure that the online versions of its journals correspond in content with the print versions, but ASME does not guarantee that they do. In the event of any discrepancy between the print and online versions, the print version will be the official version of record.

## 10. Disclaimer of Warranties; Limitation of Liability; Indemnification

ASME warrants that it is entitled to grant the licenses granted in this Agreement. EXCEPT AS SET

FORTH IN THE PRECEDING SENTENCE, ASME MAKES NO WARRANTY OR REPRESENTATION OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO THE ASME ONLINE JOURNALS, INCLUDING THEIR QUALITY, ORIGINALITY, SUITABILITY, SEARCHABILITY, OPERATION, PERFORMANCE, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

ASME SHALL NOT BE LIABLE FOR: EXEMPLARY, SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR OTHER DAMAGES, ARISING OUT OF OR IN CONNECTION WITH THE SUBSCRIPTION OR LICENSES GRANTED HEREUNDER, THE USE OR INABILITY TO USE ANY ASME ONLINE JOURNAL, ASMES PERFORMANCE UNDER THIS AGREEMENT, TERMINATION OF THIS AGREEMENT BY ASME OR THE LOSS OF DATA, BUSINESS OR GOODWILL, EVEN IF ASME IS ADVISED OR AWARE OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL THE TOTAL AGGREGATE LIABILITY OF ASME FOR ANY CLAIMS, LOSSES OR DAMAGES ARISING OUT OF ANY BREACH OR TERMINATION OF THIS AGREEMENT EXCEED THE TOTAL AMOUNT PAID BY THE SUBSCRIBER TO ASME FOR THE ONLINE JOURNAL SUBSCRIPTION, BUT NOT LESS THAN TWENTY-FIVE DOLLARS (\$25.00), FOR THE CURRENT SUBSCRIPTION YEAR IN WHICH SUCH CLAIM, LOSS OR DAMAGE OCCURRED, WHETHER IN CONTRACT, TORT, OR OTHERWISE, INCLUDING WITHOUT LIMITATION DUE TO NEGLIGENCE. The foregoing limitation of liability and exclusion of certain damages shall apply regardless of the success or effectiveness of other remedies. No claim may be made against ASME unless suit is filed thereon within one (1) year after the event giving rise to the claim.

*(Clause deleted from contract)*

## 11. General

This Agreement constitutes the entire agreement between the parties and supersedes any prior communication between the parties with respect to the subject matter hereof. Subject to termination under Section 6, this Agreement may be amended only by a written instrument signed by both parties. The headings used in this Agreement are for convenience only and are not to be considered in construing the terms of this Agreement.

The Subscriber must pay any taxes, other than taxes on ASMEs net income, arising out of the Subscribers use of the ASME online journals and/or the rights granted under this Agreement.

The Subscriber may not assign or transfer its rights under this Agreement. The provisions of Sections 3, 4, 5, 7, 9, 10 and 11 hereof shall survive any expiration or termination of this Agreement.

*(Clause deleted from contract)*

I have read and agree to adhere to and abide by all the terms and conditions stated above, and I certify that I am authorized to sign this Agreement on behalf of the Subscribing Institution identified in Section 1 above.
